Capability Statement

Jshae's focus has been to supply VA Medical Centers and all related service providers. We manufacture our lines of durable medical equipment (DME) and distribute custom-made items for healthcare and rehabilitation. Our company also distributes a wide variety of items including disposable medical equipment, prosthetics, sleep diagnostic, and CPAP therapy equipment. We can supply specialized medical items, a range of general PP&E, and miscellaneous items to any governmental agency. Lastly, we sell the best digital education and protocols for chronic pain, postural issues, and modern physical therapy ebooks. Responsiveness, responsibility, respect, and procurement readiness are core concerns for our team.

Past Performances

Established in 2008, Jshae can supply Veteran Affairs Medical Centers (VAMC) and all supporting healthcare providers in the VA network including senior and assisted living facilities. We are verified by the center for verification and evaluation for our first contracting and subcontracting with the VA as of April 2021-2024. Active on Sam.gov and SBA certified. We bid on a contract for pianos to the VA facility in West Los Angeles, CA, in 2010. We also designed and developed the swivel lyre in the music industry in 2010. We now focus only on the medical industry.
